

Fitness Classes at Starkey Ranch

*all classes are suitable for various levels from beginner to advanced. *

\$25 per session for either Yoga or Zumba

\$45 combo class (includes Yoga & Zumba classes)

Yoga: Yoga is more than just flexibility! Build strength in the upper and lower body. Learn to move with awareness, breathe deeper, gain strength, concentrate on alignment, find balance both physically and mentally and develop the ability to relax. The goal is to build a sound, healthy body and a clear, quiet mind.

Zumba: We take the “work” out of workout, by mixing low-intensity and high-intensity moved for an interval style, calorie-burning dance fitness party. Once the Latin and World Rhythms take over, you’ll see why Zumba fitness classes are often called exercise in disguise. A total workout, combining all elements of fitness – cardio, muscle conditioning, balance and flexibility, boosted energy and a serious dose of awesome each time you leave class!

*In order to run, each class requires a **minimum of 6 participants** registered for the month. Sessions are non-refundable and only transferrable if a class is cancelled. Payments can be made in person at the Welcome Center by check or electronically to your credit card on file*
